# Gateway Search Associates

## WE HAVE ACCESS TO THE BEST TALENT

We consistently identify and recruit talented professionals from both Corporate and Public Accounting.

- We interview each individual we represent.
- We maintain an extensive database of candidates and their capabilities.

## WE HAVE THE TECHNICAL SKILLS

Our Search Associates are professionals with backgrounds from Public and Corporate Accounting. In our current roles as placement professionals, we can understand your needs and the skills of our candidates. Our fifty five years of recruiting experience give you the assurance that your staffing needs will be met.

## OUR FEES ARE MORE THAN COMPETITIVE

We are members of your business community and we are aware of today's financial pressures. Our fees are contingent. You only incur a cost if we successfully fill your position.

## WE PROVIDE SERVICE

Our approach to service is unequalled. It is the central focus of our commitment to our candidates and our client companies.

- In presenting candidates to you - we provide only pre-screened, pre-qualified and interested individuals.
- Providing timely feedback and follow-up, we communicate effectively.
- We obtain and verify professional references.
- When requested, we confirm degrees and certifications.
- We provide off site interviewing facilities for your convenience.

## GUARANTEES

We guarantee our placements for ninety days.

## PROFESSIONAL STANDARDS

We promise to maintain the highest professional standards. We pledge to be ethical, responsive and forthright members of the community in which we serve.

## GSA Financial Staffing

Consultants and temporary employees can be the answer to fill-in assignments, short-term projects, leaves of absence and unexpected resignations along with just trying to keep up with the ever increasing demands of today's staffing needs.
